

This week the whole school celebrated being back and the start of a new term with a whole school book, Journey. As the children came into school on Tuesday morning, all the gates were decorated with themes from the book and the children entered the Journey wonderland! In each class we have explored the book, thought about our own journeys, researched countries around the world, drew our journeys, wrote stories, letters, postcards - the list goes on! We are finishing our whole school project with a balloon release next week that has a Wish for the World from each class inside. We are excited to see the journey that our wishes go on! Let's hope we hear back from wherever our balloon ends up!

Year 3 are discovering different forms of mindfulness and wellbeing through yoga this term in CPE.
