HAVE A RESTFUL WEEKEND

FRIDAY 3RD NOVEMBER

## FLORA GO TO THE BRIDGE

Amazing day at Stamford Bridge on Tuesday as Mr Beidas, along with four Y5 and 6 girls were invited there to identify and celebrate members of the black community. They even got a stadium tour from former Chelsea player, Paul Elliot.

The event was part of the club's ongoing efforts to promote diversity and inclusion within the football community. Mr Beidas and the girls were thrilled to have the opportunity to learn about the history of Chelsea FC and its role in promoting equality and unity. As they walked through the stadium, Paul Elliot shared his experiences as a black player in the game and his work to combat racism and discrimination in football. The girls were inspired by his passion and dedication to the cause, and left the stadium with a newfound appreciation for the power of sport to bring people together. Overall, it was a truly unforgettable experience that they will cherish for years to come.
