

Subject Specialism Teaching

Last week we asked the staff how they found the first week of the subject specialism teaching, and this week we asked the pupils! Here is some of their feedback.

When asked their favourite this about the new way we teacher topic lesson:

- My favourite thing is about how we learn and do new things every week. I also really like that different teachers teach us in different subjects
- Extra Maths!
- All the teachers know our names
- The variety of how the lessons are planned
- I like how the teachers do different styles of teaching
- That we have fun and get to see the teachers often
- It prepares us for secondary school
- We get more teachers to learn from
- That we get to learn with other teachers and not just the same
- My favourite thing is having talks with different teachers
- I like the subjects that the teachers teach us
- I enjoy how we have different teachers for different subjects. I also enjoy learning about new things we haven't learnt before
- I love it when there are fun activities with different teachers
- I really like the idea of other teachers teaching us
- The lessons have been fun and enjoyable (practical)

When asked what they think works really well:

- How the different teachers specialise in different subjects
- I think we learn about and the teachers are very nice
- Seeing how other teachers teach
- Knowing what lessons you are doing in the afternoon
- I like how we learn new things each week
- The transition between different teachers
- Learning about new things
- The teachers know our names
- How we learn, and it's fun too!
- Everything!
- Having PE in the morning
- I like it because it makes the day more fun
- That we get to learn new facts that we didn't know
- I think having different teachers works well because it will get us ready for secondary school where they do the same thing
- Learning new things from different teachers
- Spending time with different teachers
- Getting to know the other teachers better – those who have not taught us before
- Really enjoyed having meaningful discussions and not doing work in the books

A big thank you to the team behind **Joao the Portugoose** for visiting us this week for the launch of their new book and delivering fun and exciting sessions across the school. Here are some fun moments we captured ...

Year 6 have been busy selling tuck at the end of the school day and here they are counting their takings. Talk about practical maths!

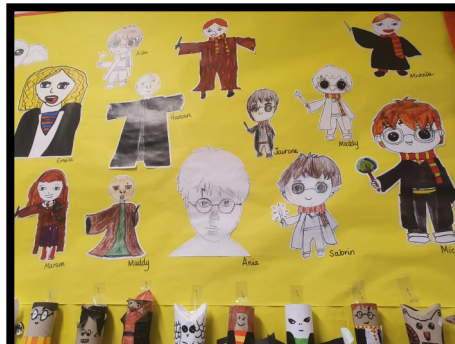

Year 6 have been working really hard all year and this week they had their assessments. "SATs" breakfast was a fantastic way to start each day; the children really enjoyed it and it looks like Mr Mason did too!

On the behalf of the PTA, Ms Kelly would like to thank the following Year 6 pupils for showing great business skills and commitment. In their first week they have managed to raise an amazing £131.00, that will go toward the upcoming Summer Fun Day. Special thanks to **Frankie, Rayah, Xela, Hamza, Nadir, Dimitri Safa & Mohamed I**

Year 5 are reading Harry Potter and were inspired to create these fun toilet roll craft and pictures during Art and D&T.

Nethercott House Trip - Reminder

Current year 5 & year 4 students are eligible for a place on the next residential trip to Nethercott House in November 2021. These places are limited and filling up, a £25.00 deposit is needed to secure a place. Please see Mrs Debby Brand.

Can pupils please not bring Poppits to school. They are very distracting and bad for the environment.
