

Reception have been learning about senses this week. Our tuff tray included lots of things to smell, touch, hear and look at. We had lots of fun using our senses to explore. We also had an exciting tasting lesson where we tried lots of different flavours including salty, bitter and sour.

We also used more of our senses by going on an Autumn Adventure. We found lots of leaves and sticks and even found some frogs in the wildlife garden!

Nursery have been practising their fine motor skills to cut with scissors. They also enjoyed our 'Physical Fridays' where they got to use their scooters to move around!

Sponsored 5K Challenge

Year 3 will be challenging themselves in the last week of this half term by doing a **sponsored 5k challenge in 1 day!**

They will be raising money for the **World Land Trust** to help conserve and protect our world's rainforests. Please do sponsor them if they ask and wish us luck!

In Gardening Club our West London Zone pupils spent this week working in the Greenhouse repotting broad beans and planting pea shoots in preparation for the Winter and Spring months. Throughout the week, they've been observing and tending to their pots by watering them, and on Tuesday took home their first major harvest of cress.

With the increase of online streaming, gaming and TV, the suitability when choosing a programme, film or game can easily be missed by parents. There are places where parents can check the age rating and the appropriateness of games and videos children are accessing. <https://www.commonsemmedia.org/> and <https://pegi.info/>
