

Kew Gardens

Year 2 & 3 had a fantastic time looking at different plants at Kew Gardens.

Stella, the Kew teacher, showed us around and told us about plants that grow in the desert and in the rainforest. She told us about their various functions and what they need to survive.

Reception were joined by medical students from Imperial University to run a teddy bear hospital workshop! They learnt about the body, our senses, food groups and what to do in an emergency!

Class Attendance

Reception – 79%

Year 1 – 94%

Year 2 – 97%

Year 3 – 86%

Year 4 – 92%

Year 5 – 95%

Year 6 – 90%

Well done Year 2

Medical Form Update

We are currently updating the pupil's medical records and will be sending out a medical form to all parents.

You can easily complete and return the form by clicking on the link in your email. It is very important that the form is completed, signed and returned by Friday 26th November. Please contact the office if you have any questions.
