

We are very proud of our Tag Rugby team who developed so many fantastic life skills on Tuesday. Alongside teamwork, cooperation and bravery, pupils were outstanding in their ability to listen to structured improvements in attack and defence.

It is great to celebrate achievements too alongside learning through fixtures, festivals and tournaments.

They came 3rd in the tournament and are off to the West London regional finals in July. Amazing achievement!

Year 3 visited Pizza Express this week as part of their topic on Healthy Eating this half term. They got the opportunity to create our own pizzas and they added their own toppings to make Margheritas!

They then waited while they cooked and they smelt so good! They were lucky enough to take them home that day and share them with their families - well maybe share them! They had a great day and got lots of ideas for our healthy eating topic!

Year 1 are learning about toys and games this half term and so as a special treat they went to the playground last Friday to enjoy playing on the exciting equipment.
