

We welcomed Minister Will Quince in from the department of education on Thursday to showcase the important role PE and school sport has on children's lives at Flora Gardens.

Minister Quince was very impressed with our vision and success surrounding PE and extra-curricular provision here.

Don't forget to enter the **cake competition**.
Our very own Mr Naismith and our Governors will be judging and presenting a **HUGE** prize for the best looking cake.

Last Friday Emerald held their annual charity day. This year they were collecting donations for the Trussel Trust Hammersmith Foodbank. We had an outstanding amount of donations and are very proud of the Flora Gardens community. All the food collected will go a long way. The Foodbank are collecting on Monday so if you would like to make any more donations, please do so by Monday morning. Thank you!

From Mr Carter

Our Girl's Cricket team make the last eight in the London Youth Games!!!!

Our Kwik Cricket team made it to the quarter finals of the London Youth Games in Gunnersbury Park on Wednesday.

They beat schools from Kensington and Chelsea and Tower Hamlets in the group stage before bowing out to a very strong Bexley team.

We are very proud again of our girls for their hard work, commitment, and development throughout each game!

Four of our budding scientists went to Fox Primary School to take part in the Young Science Ambassadors training.

Dates for your diary

June

Sat 25th June

Mad Hatters Tea Party

Mon 27th June

Harry Potter World- Y5/6

Tue 28th June

Legoland - Early Years
