HAVE A FABULOUS WEEKEND

FRIDAY 16TH JUNE 2023

## ONLINE SAFETY

The best way to find out what your child is doing online is to talk to them, and have regular conversations so that online safety is part of everyday discussion. Ask them open-ended questions like "What is your favourite game or app to play on?" Listen to what they have to say and show an interest. They could give you a demo of their favourite app or show you their favourite YouTube or Tik Tok account. They will probably be able to teach you things you don't know! This will also give you an opportunity to chat about any safety settings they might already have in place. Regular conversations with your child will encourage them to come to you if ever they need support or advice.

## VIVA ESPANA

A reminder that throughout the day on Thursday 22nd June, the whole school will be learning all about Spain and South America. The children will be putting their cooking and D.T. skills to the test and will be cooking up a treat for all the parents to come in to the school and enjoy from 2pm. We are asking that all parents make a small donation to contribute to the costs of the ingredients.

## ATTENDANCE

Overall attendance this week was an amazing 94.63%.

However, I know that next week if we all work together, we can beat this and aim for at least 95%!

Please remember that if your child is unable to attend school, you should ring the school absence line and follow the instructions.

## SAY CHEESE

Class and whole school pictures will be taking place on Monday 26th June. We are asking that none of our children wear their P.E. kits to school that day and instead they come to school in full uniform.

Full uniform includes :

A green school branded jumper or cardigan

A yellow polo shirt

Black trousers or skirt

A green or yellow summer dress

A green or black hijab.

## WEATHER WARNING

As the weather is getting warmer, we are asking all parents to remember to put sun cream on their child before the start of the school day and to make sure their child comes to school with a full bottle of water.

# SPORTS STAR FRIDAY

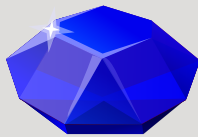

We are taking part in both National Sports Week with the Youth Sports Trust and Sports Direct, and Sports Star Friday!

We want each pupil to track all the physical activity they do every day from Monday- Friday. We will be providing the children with a physical activity weekly planner which will stay in their classrooms. They can log any activity that they do outside of school too.

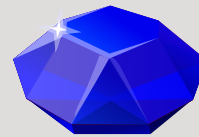

On Sports Star Friday, we want all pupils to dress up as their favourite sports star or athlete.

We are lucky to have up and coming British boxer, Johnny Fisher, come to our school to run a boxing session with Sports Direct.

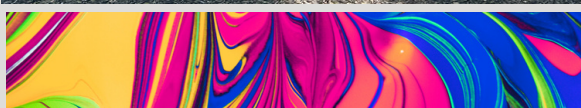

Pupils will also be coming off timetable on Friday to take part in a carousel of sporting events all day.

## SAPPHIRE DAY

Today, as well as wearing blue, the children ran the bleep test for Sapphire Day. This was all to raise money and awareness for the mental health charity Mind.

## PEN DISCO

This week, Nursery were developing their gross and fine motor skills during pen disco! They have been learning how to control a pen, and mark make to form letters to the tune of music.
