## Head's Blog

Great news this week, the first part of our redevelopments of the site is due to get underway during half term, with the canopy structure put in to place outside the Nursery. This will allow internal and external play to merge in all weathers.

Following on from that, the solution for the grass at the front of the school is progressing and I am expecting all of the grass and mud in that area to be replaced with a rubber mulch around the October half term time. I do get the feeling this is progressing when the council ask me what colour I would like it to be! I am looking forward to sharing plans with you on the remaining developments on the outdoor areas later in the academic year.

On another area, thank you to the parents who spoke to me about E-safety. Our settings and securities are being reviewed and updated to make sure the children stay safe.

The fire drill went quite smoothly this week but we will be repeating it at some point to get it even sharper.

Mrs Aboiralor will not be in school for a while and we wish her a speedy recovery. In the meantime, we welcome Ms Barker to the Nursery.

Have a great weekend.
