

FLORA NEWS

Head's Blog

It's been a busy week at Flora Gardens. Today we had a review from the Local Authority. They said some really positive things about the progress we have made. We have some way to go but they have confirmed that we are on the right track.

The mural in the Year 1 outdoor learning space is now complete. We are so pleased with it, we hope to have Positive Arts back in the near future to work their magic and create some more wonderful murals around the school.

What a fantastic House assembly we had this morning. The pupils are really engaging with the system and it is already having a positive impact. I am very much looking forward to the House competitions and charity events that are coming up in the New Year.

I have just popped into the hall and the PTA are setting up for the Christmas Bazaar. I would like to thank them for their hard work and dedication to Flora Gardens.

Next week you will receive an end of term letter, in which I will update you further on the feedback from the review and the plans for the New Year.

Enjoy your weekend!

Our mural is now complete! Can you believe that this beautiful artwork was created with spray paint?!

A massive thank you to the incredibly talented James and Ed from Positive Arts. www.positivearts.co.uk

Upcoming events
