Head's blog

We've had a very creative week here at Flora Gardens. On Monday and Wednesday Year 4 visited the Victoria and Albert Museum, on Tuesday and Wednesday we received a return visit from children's author Mary Evan. The pupils had such a great time in her assembly and class workshops. Friday morning we had the pleasure of working with the extremely talented musicians from the Royal Albert Hall. It was really great, thank you to everyone involved.

It's the time of the year where we start looking more closely at attendance, which currently stands at 95.5% for all year groups. Our target for the year is 96% so we are just falling short as we approach the half way stage. Congratulations to Year 4A who are currently at 97.7%. Please remember that continued education is vital to the academic progress of pupils and minor ailments shouldn't keep your child off school. I am confident that with your support we can reach our target. Please make sure your child attends every day.

And finally, I am delighted to say that Mr Finney is running the London Marathon for a children's cancer charity and we will be holding a number of fundraising activities before 24th April. I do hope that as a community we can support him through sponsorship as he aims for a finish time of 3 ½ hours.

On Friday 5th February our students participated in a Classical Spectacular workshop delivered by our friends from the Royal Albert Hall

Bike It Breakfast and Balance Bike sessions– Wednesday 3rd February 2016

Thank you to author Mary Evans who delivered a fantastic whole school assembly and individual workshops with each class.
