

FLORA NEWS

Head's Blog

Welcome back! I hope that you have had a wonderful break.

Last term we began working on our new mission statement. I met with parents, governors, staff and pupils who all gave their much valued input. And so here it is, Flora Garden's new mission statement. I hope you will all agree that it really does reflect Flora.

Mission Statement

'Our school is about far more than just academic results; it is about community, respect, honesty and family. We aim to deliver multi-cultural learning experiences for every individual that are innovative, creative, purposeful and fun. Set in our unique spacious green grounds that give pupils outstanding opportunities to explore, flourish and succeed. At Flora Gardens every pupil comes first and we aim to inspire them to fulfil their potential in each stage of their life'.

Objectives

1. To recognise individual accomplishments enabling children to flourish and achieve their full potential - nothing is impossible if you believe you can achieve it.
2. We provide a cross-curricular inclusive approach to learning with high expectations to ensure all our pupils are happy, confident, collaborative learners.
3. To celebrate success and achievements.
4. To value, recognise and encourage contributions of parents and families.
5. To respect all cultures and beliefs regardless of background, religion or race.

Year 1 produced some beautiful homework during the Easter break!

If you are not receiving text messages and emails from the school then please visit the school office to ensure that they have the correct details.

If you have a child in the school with a sibling that is due to start Nursery in September 2016 and have not yet filled in the relevant forms, please see Mrs Hobman in the school office.

This is a second reminder that mobile phones should not be on show anywhere on the school site. If you are seen on the phone or with a phone in your hand, you will be asked to put it away. If this continues to happen, further action will be taken. This policy has been put in place for the safeguarding of our pupils.

This week in Year 1 we have been learning about the story of the prophet Muhammad (pbuh). We learnt that Muslims believe that Muhammad had a visit from the angel Gabriel, who gave him a message from God.

On Wednesday our Key Stage 2 classes saw an amazing theatre piece that looked at creating settings, character and plot, it also explored organising paragraphs, punctuating direct speech and looked at the use of conjunctions, pronouns and adverbs.
