Congratulation to all of Year 6, who worked incredibly hard in their SATS this week. The school and I are very proud of their efforts and the way they have conducted themselves throughout the exams. Whatever the results, the pupils can reflect that they did their very best and I know they will continue to flourish in their future education. I am looking forward to joining them in the park this afternoon to celebrate the end of the tests with them.

The new PE staff started this week and we welcome Mr Finney and Mr Peter. Their Rounders/Cricket club will be starting after half term, please book your space with Mrs Hobman in the school office.

Thank you to those parents who turned up on Monday for the Ofsted feedback session and thank you to the PTA for their continued support and fundraising for the school; it is fantastic to see so much parental support in the school.

Next week I will write to you confirming tweaks to the staffing structure after half term.

Have a great weekend!

We are keen to run as many clubs as possible for the children. If any of our parents have a skill that they think our children would enjoy learning and would be happy to volunteer and run a club, please let us know!
