### Head for the day – Kemi

It has been a very busy day as Head teacher. I arrived for work at 7.30am and did a variety of different jobs. The day has been a new adventure, full of obstacles but such a great experience. After this I have realised how much Mr Naismith has done for the school and how much we should congratulate him because without him the school would fall apart!

### Deputy Head for the day – Anis

I found my day very lively and exciting and overall I really enjoyed it! I conducted a learning walk and completed pupil book scrutinies. We discussed the new curriculum over lunch. It was nice for us to receive so much respect from the students. This has been a really enjoyable way to spend my last week in Flora Gardens as I learnt a lot about leadership and management. It has been a pleasure working alongside Ms Graham today– Thank you!

### PA to the Head for the day - Dana

I had a great time being the Head's PA, although I found it very hard. Every 2 minutes I would be asked to do something! Our SLT at Flora Gardens Primary School fulfil their jobs very well. I learned something today, and I think all of us can benefit from it, no matter how hard something looks- always try and trust you WILL succeed and achieve. If you never try or take risks in life you'll never know what you can achieve. I would like to say a big thank you to the Chair of Governors, Mr Naismith and Miss O'Donnell. I have really enjoyed my time working alongside the SLT.

### Deputy Head for the day Abdellah

When I arrived for work I rang the bell to let the students know that school was starting. I took the register in Year 5 and worked on a timetable with Mrs Vass. I helped to teach Year 5 Maths and Literacy. I then discussed the assembly with my fellow Deputy Head, Anis. The Assembly was great because the Head, Kemi, decided that the school would watch a film for the afternoon. I really enjoyed being Deputy Head.

### Assistant Head for the day – Molly

I was chosen to be Assistant Head for the day. The day started with myself and Anis going around the school and checking all off the class books and checking that they are using 'Fix it in 5'. We then gave verbal feedback to the teachers. I also attended a team meeting at the Children's Centre. Overall, the experience turned out more enjoyable than I had expected. I would like to thank my colleagues Kemi, Abdellah, Anis and Dana who have shown me a lot of respect.
