Year 5 Gardens Blog

Pupils in Y5G wrote individual blogs and they have been combined to create our very first whole class blog!

For the past week at Flora Gardens, I have been having a blast! On Monday we found out we had the highest attendance for the week out of the whole school. In English lessons we put ourselves in the role of St. George, writing a diary entry. In Maths we were learning to use protractors - at first I was unsure, but now I am fine with it, after support from my teacher. In PE we learnt about catching and focusing on the ball. In Music, I learnt both of my parts on the recorder and guitar. I attended Drama Club which was one of the best ones yet. In fact, this whole week has been one of the best! Keep up the good work Flora Gardens.

My favourite subject at the moment is Science as we are learning about space. Y5F and Y5G had a competition set by our teachers to create 3D models of our Solar System. All those who participated won 2 House points. Ms Graham judged the competition and the winners have just been announced. They are Jasmin, Lacey, Lucas and Mkali, who all received 5 House points. Well done to the winners.

As you may know, the last two days have been very important for Flora Gardens, as we had some special visitors who go by the name of Ofsted. My friends and I spoke to one of the Inspectors and she asked us a few questions about the school. The Ofsted Inspector was very nice to us. In 3 weeks we will be able to find out how the inspection went, we feel really hopeful about the results. In assembly this morning, Mr Naismith announced that he is very proud of all the pupils for welcoming Ofsted.

We hope you have a lovely weekend and make sure you have a cup of tea and put your feet up!

In Year 1 we have been writing instructions on how to make a jam sandwich and today we used our instructions to make a sandwich!
