

SPORTS GRANT REPORT 2015 – 2016

REVIEW OF SPORTS GRANT EXPENDITURE 2015 – 2016

DFE OBJECTIVES: *“Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.”*

ALLOCATION 2015 - 2016: £8550 Sports Premium Funding was spent on providing access to all pupils to a wide range of sports activities.

SCHOOL OBJECTIVES	SUCCESS CRITERIA	OUTCOME/IMPACT
1. Y1-Y6 After School clubs offering a range of sporting activities 3.30pm to 5.30pm five days a week	10 clubs offered with an increasing uptake.	Clubs offered: Cricket Ks1, Cricket KS2, Multi Sports, Football, Taekwondo, Netball, Basketball, KS2 Peak performance and fitness, The increase in the number of after school sports clubs went from 2 clubs in 2014-2015 to 10 clubs in 2015-2016. In 2014-2015 22.8% of Y1-Y6 pupils attended after school clubs. In 2015–2016 68.2% of Y1-Y6 pupils attended after school clubs. This is an increase of 45.4%. We aim for a further increase in 2016-2017 with a target of 70% pupil participation. This will be monitored through regular checks to the after school club registers and the 2016-2017 Sports Premium report will be updated throughout the year.
2. Increase sports resources	New sports resources purchased	Variety of different balls – sizes, material and shape purchased. Crazy catch equipment for reactions purchased and used at lunch times and in after school clubs. All of equipment purchased was used during the year (during PE lessons and in after-school clubs) and every child in the school benefitted as all pupils received an increased range of activities during in PE lessons and lunch time supervisors verbally reported an increase in sports participation during play times.

<p>3. Improve health and fitness of children and staff</p>	<p>Introduce “mile-a-day” initiative</p>	<p>All classes took part in the initiative from Reception to Y6. PE coordinator saw an increase in pupil’s physical ability during PE lessons and teachers reported verbally that pupil’s attention in class had increase. The school nurse has reported that there was a slight decrease in pupil obesity throughout the year.</p>
<p>4. Increase number of inter-school friendly matches</p>	<p>School participating in more sports competitions.</p>	<p>In 2014-2015 there were 2 competitions entered with local schools. This increased to 4 competitions enter in 2015-2016. These included Netball, KS2 Football and Kwik Cricket. PE coordinator reported that all pupils taking part showed an increased ability to work as part of team and improved their behaviour in PE and other lessons. Pupils reported that they really enjoyed socialising with other schools and felt proud to represent their school through sports. The school aims to increase the number of inter-school competitions entered in 2016-2017, dependent on what is available.</p>
<p>5. Introduce inter-house sports competitions.</p>	<p>Inter-house sports competitions taking place.</p>	<p>Completed competitions included athletics, rounders and football with 100% participation from pupils from Y1 through to Y6. We aim to increase the number of inter-house sports activities from 3 to 6 and 100% of pupils will participate in 2016-2017.</p>

Monitoring:

A spreadsheet of pupils attending extra-curricular and curricular sporting activities is kept in order to monitor progress. Our expectation is that the range or opportunities offered and participation of pupils will increase in the academic year 2016-2017.
