“Keep up the good work.”

“I am generally happy with the school. The teachers work hard to give my child the support she needs regarding her education. I am displeased that my child has been picked on by one specific child but hope more will be done to put an end to this. I don’t have a problem with the homework my child receives but I do feel it would be better if homework was given on a Monday and due by Thursday for example. My child has a medical condition which staff are unaware of despite the fact that I have

informed the receptionist on numerous occasions and I have written about the condition in the form about the child's details. Again, more than once."

Lower KS2:

"Hamza has had a superb year. Thanks!"

"The teachers at this school are very good as they teach my child very well. I thank the teacher who taught my child very well."

"Thank you all so much for all that you do for our children. Jasmin has thrived at FGPS and achieved wonderful things – not only academically but emotionally as well. We really appreciate all of your hard work and dedication."
